UNITED STATES OF AMERICA

v.

HUBERT DOLEZAL

No. 19 CR 8

Judge John J. Tharp, Jr.

PLEA AGREEMENT

1. This Plea Agreement between the United States Department of Justice, Fraud Section, Chief ROBERT A. ZINK, and defendant HUBERT DOLEZAL, and his attorneys, TOM BREEN and ROBERT STANLEY, is made pursuant to Rule 11 of the Federal Rules of Criminal Procedure and is governed in part by Rule 11(c)(1)(A), as more fully set forth below. The parties to this Agreement have agreed upon the following:

Charges in This Case

2. The indictment in this case charges defendant with health care fraud, in violation of Title 18, United States Code, Section 1347.

3. Defendant has read the charges against him contained in the indictment, and those charges have been fully explained to him by his attorney.

4. Defendant fully understands the nature and elements of the crimes with which he has been charged.

**Charge to Which Defendant Is Pleading Guilty**

5. By this Plea Agreement, defendant agrees to enter a voluntary plea of guilty to the following count of the indictment: Count One, which charges defendant with health care fraud, in violation of Title 18, United States Code, Section 1347.

**Factual Basis**

6. Defendant will plead guilty because he is in fact guilty of the charge contained in Count One of the indictment. In pleading guilty, defendant admits the following facts and that those facts establish his guilt beyond a reasonable doubt:

Beginning no later than December 2008, and continuing through approximately October 2018, at Chicago, in the Northern District of Illinois, Eastern Division, and elsewhere, defendant HUBERT DOLEZAL knowingly and willfully submitted false and fraudulent claims to Medicare for payment for psychological services.

In or around May 2008, DOLEZAL enrolled with Medicare, enabling him to bill for services rendered. In or around June 2012, DOLEZAL contracted with Organization A to provide psychotherapy services to severely mentally disabled patients living in facilities managed by Organization A. Through his employment with Organization A, DOLEZAL had access to residents who he was contracted to treat on Organization A's behalf. DOLEZAL submitted monthly time sheets to Organization A and collected payment of approximately \$2500 per month from Organization A.

DOLEZAL billed Medicare for psychological services purportedly provided to Organization A residents, knowing that he had not actually provided them as billed. DOLEZAL billed for services that he did not, and in some cases could not have provided because they occurred on dates when DOLEZAL was traveling outside of the Chicago area.

DOLEZAL acknowledges that Medicare paid him approximately \$3,270,879 for services that DOLEZAL did not actually perform.

**Maximum Statutory Penalties**

7. Defendant understands that the charge to which he is pleading guilty carries the following statutory penalties:

a. A maximum sentence of 10 years' imprisonment. This offense also carries a maximum fine of \$250,000, or twice the gross gain or gross loss resulting from that offense, whichever is greater. Defendant further understands that the judge also may impose a term of supervised release of not more than three years.

b. Defendant further understands that the Court must order restitution to the victims of the offense in an amount determined by the Court.

c. Pursuant to Title 18, United States Code, Section 3013, defendant will be assessed \$100 on the charge to which he has pled guilty, in addition to any other penalty or restitution imposed.

### Sentencing Guidelines Calculations

8. Defendant understands that in determining a sentence, the Court is obligated to calculate the applicable Sentencing Guidelines range, and to consider that range, possible departures under the Sentencing Guidelines, and other sentencing factors under 18 U.S.C. § 3553(a), which include: (i) the nature and circumstances of the offense and the history and characteristics of the defendant; (ii) the need for the sentence imposed to reflect the seriousness of the offense, promote respect for the law, provide just punishment for the offense, afford adequate deterrence to criminal conduct, protect the public from further crimes of the defendant, and provide the defendant with needed educational or vocational training, medical care, or other correctional treatment in the most effective manner; (iii) the kinds of sentences available; (iv) the need to avoid unwarranted sentence disparities among defendants with similar records who have been found guilty of similar conduct; and (v) the need to provide restitution to any victim of the offense.

9. For purposes of calculating the Sentencing Guidelines, the parties agree on the following points:

a. **Applicable Guidelines.** The Sentencing Guidelines to be considered in this case are those in effect at the time of sentencing. The following statements regarding the calculation of the Sentencing Guidelines are based on the Guidelines Manual currently in effect, namely the November 2018 Guidelines Manual.

b. Offense Level Calculations.

i. The base offense level is 6, pursuant to Guideline § 2B1.1.

ii. The base offense level is increased by 16 levels because the actual loss amount from the defendant's conduct was more than \$1,500,000 but not more than \$3,500,000, pursuant to Guideline § 2B1.1(b)(1)(I).

iii. The base offense level is increased by 2 levels because the offense was a Federal health care offense involving a Government health care program and the loss to the Government health care program was more than \$1,000,000 pursuant to Guideline § 2B1.1(b)(7).

iv. The base offense level is increased by 2 levels because the offense involved the abuse of a position of private trust, pursuant to Guideline § 3B1.3.

v. Defendant has clearly demonstrated a recognition and affirmative acceptance of personal responsibility for his criminal conduct. If the government does not receive additional evidence in conflict with this provision, and if defendant continues to accept responsibility for his actions within the meaning of Guideline § 3E1.1(a), including by furnishing the United States Department of Justice and the Probation Office with all requested financial information relevant to his ability to satisfy any fine or restitution that may be imposed in this case, a two-level reduction in the offense level is appropriate.

vi. In accord with Guideline § 3E1.1(b), defendant has timely notified the government of his intention to enter a plea of guilty, thereby permitting the government to avoid preparing for trial and permitting the Court to allocate its resources efficiently. Therefore, as provided by Guideline § 3E1.1(b), if the Court determines the offense level to be 16 or greater prior to determining that defendant is entitled to a two-level reduction for acceptance of responsibility, the government will move for an additional one-level reduction in the offense level.

vii. **Criminal History Category.** With regard to determining defendant's criminal history points and criminal history category, based on the facts now known to the government, defendant's criminal history points equal zero and defendant's criminal history category is I.

c. **Anticipated Advisory Sentencing Guidelines Range.** Therefore, based on the facts now known to the government, the anticipated offense level, is 23 which, when combined with the anticipated criminal history category of I, results in an anticipated advisory sentencing guidelines range of 46 to 57 months' imprisonment, in addition to any supervised release, fine, and restitution the Court may impose.

d. Defendant and his attorney and the government acknowledge that the above guidelines calculations are preliminary in nature, and are non-binding predictions upon which neither party is entitled to rely. Defendant understands that further review of the facts or applicable legal principles may lead the government to

conclude that different or additional guidelines provisions apply in this case. Defendant understands that the Probation Office will conduct its own investigation and that the Court ultimately determines the facts and law relevant to sentencing, and that the Court's determinations govern the final guideline calculation. Accordingly, the validity of this Agreement is not contingent upon the probation officer's or the Court's concurrence with the above calculations, and defendant shall not have a right to withdraw his plea on the basis of the Court's rejection of these calculations.

10. Both parties expressly acknowledge that this Agreement is not governed by Fed. R. Crim. P. 11(c)(1)(B), and that errors in applying or interpreting any of the sentencing guidelines may be corrected by either party prior to sentencing. The parties may correct these errors either by stipulation or by a statement to the Probation Office or the Court, setting forth the disagreement regarding the applicable provisions of the guidelines. The validity of this Agreement will not be affected by such corrections, and defendant shall not have a right to withdraw his plea, nor the government the right to vacate this Agreement, on the basis of such corrections.

#### **Agreements Relating to Sentencing**

11. Each party is free to recommend whatever sentence it deems appropriate.

12. It is understood by the parties that the sentencing judge is neither a party to nor bound by this Agreement and may impose a sentence up to the maximum

penalties as set forth above. Defendant further acknowledges that if the Court does not accept the sentencing recommendation of the parties, defendant will have no right to withdraw his guilty plea.

13. Regarding restitution, defendant acknowledges that the total amount of restitution owed to Medicare is \$3,270,879, minus any credit for funds repaid prior to sentencing, and that pursuant to Title 18, United States Code, Section 3663A, the Court must order defendant to make full restitution in the amount outstanding at the time of sentencing.

14. Restitution shall be due immediately, and paid pursuant to a schedule to be set by the Court at sentencing. Defendant acknowledges that pursuant to Title 18, United States Code, Section 3664(k), he is required to notify the Court and the United States Department of Justice of any material change in economic circumstances that might affect his ability to pay restitution.

15. Defendant agrees to pay the special assessment of \$100 at the time of sentencing with a cashier's check or money order payable to the Clerk of the U.S. District Court.

16. Defendant agrees that the United States may enforce collection of any fine or restitution imposed in this case pursuant to Title 18, United States Code, Sections 3572, 3613, and 3664(m), notwithstanding any payment schedule set by the Court.

17. After sentence has been imposed on the count to which defendant pleads guilty as agreed herein, the government will move to dismiss the remaining counts of the indictment.

### **Forfeiture**

18. Defendant understands that by pleading guilty, he will subject to forfeiture to the United States all right, title, and interest that he has in any property constituting or derived from proceeds obtained from the offense.

19. Defendant acknowledges that as part of his sentence, the Court will decide, by a preponderance of the evidence, whether the government has established the requisite nexus between the offense and any specific property alleged to be subject to forfeiture and the amount of a personal money judgment he must pay.

### **Acknowledgments and Waivers Regarding Plea of Guilty**

#### **Nature of Agreement**

20. This Agreement is entirely voluntary and represents the entire agreement between the United States Attorney and defendant regarding defendant's criminal liability in case 19 CR 8.

21. This Agreement concerns criminal liability only. Except as expressly set forth in this Agreement, nothing herein shall constitute a limitation, waiver, or release by the United States or any of its agencies of any administrative or judicial civil claim, demand, or cause of action it may have against defendant or any other person or entity. The obligations of this Agreement are limited to the United States

Department of Justice and cannot bind any other federal, state, or local prosecuting, administrative, or regulatory authorities, except as expressly set forth in this Agreement.

### **Waiver of Rights**

22. Defendant understands that by pleading guilty he surrenders certain rights, including the following:

a. **Trial rights.** Defendant has the right to persist in a plea of not guilty to the charges against him, and if he does, he would have the right to a public and speedy trial.

i. The trial could be either a jury trial or a trial by the judge sitting without a jury. However, in order that the trial be conducted by the judge sitting without a jury, defendant, the government, and the judge all must agree that the trial be conducted by the judge without a jury.

ii. If the trial is a jury trial, the jury would be composed of twelve citizens from the district, selected at random. Defendant and his attorney would participate in choosing the jury by requesting that the Court remove prospective jurors for cause where actual bias or other disqualification is shown, or by removing prospective jurors without cause by exercising peremptory challenges.

iii. If the trial is a jury trial, the jury would be instructed that defendant is presumed innocent, that the government has the burden of proving defendant guilty beyond a reasonable doubt, and that the jury could not convict him

unless, after hearing all the evidence, it was persuaded of his guilt beyond a reasonable doubt and that it was to consider each count of the indictment separately. The jury would have to agree unanimously as to each count before it could return a verdict of guilty or not guilty as to that count.

iv. If the trial is held by the judge without a jury, the judge would find the facts and determine, after hearing all the evidence, and considering each count separately, whether or not the judge was persuaded that the government had established defendant's guilt beyond a reasonable doubt.

v. At a trial, whether by a jury or a judge, the government would be required to present its witnesses and other evidence against defendant. Defendant would be able to confront those government witnesses and his attorney would be able to cross-examine them.

vi. At a trial, defendant could present witnesses and other evidence in his own behalf. If the witnesses for defendant would not appear voluntarily, he could require their attendance through the subpoena power of the Court. A defendant is not required to present any evidence.

vii. At a trial, defendant would have a privilege against self-incrimination so that he could decline to testify, and no inference of guilt could be drawn from his refusal to testify. If defendant desired to do so, he could testify in his own behalf.

viii. With respect to forfeiture, defendant understands that if the case were tried before a jury, he would have a right to retain the jury to determine whether the government had established the requisite nexus between defendant's offense and any specific property alleged to be subject to forfeiture.

b. **Appellate rights.** Defendant further understands he is waiving all appellate issues that might have been available if he had exercised his right to trial, and may only appeal the validity of this plea of guilty and the sentence imposed. Defendant understands that any appeal must be filed within 14 calendar days of the entry of the judgment of conviction.

23. Defendant understands that by pleading guilty he is waiving all the rights set forth in the prior paragraphs, with the exception of the appellate rights specifically preserved above. Defendant's attorney has explained those rights to him, and the consequences of his waiver of those rights.

**Presentence Investigation Report/Post-Sentence Supervision**

24. Defendant understands that the United States Department of Justice in its submission to the Probation Office as part of the Pre-Sentence Report and at sentencing shall fully apprise the District Court and the Probation Office of the nature, scope, and extent of defendant's conduct regarding the charges against him, and related matters. The government will make known all matters in aggravation and mitigation relevant to sentencing.

25. Defendant agrees to truthfully and completely execute a Financial Statement (with supporting documentation) prior to sentencing, to be provided to and shared among the Court, the Probation Office, and the United States Department of Justice regarding all details of his financial circumstances, including his recent income tax returns as specified by the probation officer. Defendant understands that providing false or incomplete information, or refusing to provide this information, may be used as a basis for denial of a reduction for acceptance of responsibility pursuant to Guideline § 3E1.1 and enhancement of his sentence for obstruction of justice under Guideline § 3C1.1, and may be prosecuted as a violation of Title 18, United States Code, Section 1001 or as a contempt of the Court.

26. For the purpose of monitoring defendant's compliance with his obligations to pay a fine and restitution during any term of supervised release or probation to which defendant is sentenced, defendant further consents to the disclosure by the IRS to the Probation Office and the United States Department of Justice of defendant's individual income tax returns (together with extensions, correspondence, and other tax information) filed subsequent to defendant's sentencing, to and including the final year of any period of supervised release or probation to which defendant is sentenced. Defendant also agrees that a certified copy of this Agreement shall be sufficient evidence of defendant's request to the IRS to disclose the returns and return information, as provided for in Title 26, United States Code, Section 6103(b).

**Other Terms**

27. Defendant agrees to cooperate with the United States Department of Justice in collecting any unpaid fine and restitution for which defendant is liable, including providing financial statements and supporting records as requested by the United States Department of Justice.

28. Defendant understands that, if convicted, a defendant who is not a United States citizen may be removed from the United States, denied citizenship, and denied admission to the United States in the future.

**Conclusion**

29. Defendant understands that this Agreement will be filed with the Court, will become a matter of public record, and may be disclosed to any person.

30. Defendant understands that his compliance with each part of this Agreement extends throughout the period of his sentence, and failure to abide by any term of the Agreement is a violation of the Agreement. Defendant further understands that in the event he violates this Agreement, the government, at its option, may move to vacate the Agreement, rendering it null and void, and thereafter prosecute defendant not subject to any of the limits set forth in this Agreement, or may move to resentence defendant or require defendant's specific performance of this Agreement. Defendant understands and agrees that in the event that the Court permits defendant to withdraw from this Agreement, or defendant breaches any of its terms and the government elects to void the Agreement and prosecute defendant,

any prosecutions that are not time-barred by the applicable statute of limitations on the date of the signing of this Agreement may be commenced against defendant in accordance with this paragraph, notwithstanding the expiration of the statute of limitations between the signing of this Agreement and the commencement of such prosecutions.

31. Should the judge refuse to accept defendant's plea of guilty, this Agreement shall become null and void and neither party will be bound to it.

32. Defendant and his attorney acknowledge that no threats, promises, or representations have been made, nor agreements reached, other than those set forth in this Agreement, to cause defendant to plead guilty.

33. Defendant acknowledges that he has read this Agreement and carefully reviewed each provision with his attorney. Defendant further acknowledges that he understands and voluntarily accepts each and every term and condition of this Agreement.
